

WOMEN TAKE FLIGHT GIRLS TOO!

FREE FLIGHTS
for eligible women and girls

March 8, 2014
8:30 am to 12:00 pm
Double Eagle II Airport @ Bode Aviation
Take I-40 or Paseo Del Norte to Atrisco Vista Blvd.

Local members of The Ninety-Nines, the international organization of women pilots, will offer free flights (weather permitting) to females who have never flown in a small aircraft. They will be available to discuss careers in aviation, how women can thrive in the world of aviation and how general aviation fits into the transportation system. Flights will open up a world of possibilities.

Although targeting women of at least high school age, The 99s will try to accommodate all girls at least 12 years old.
Parental permission will be required for minors.
